## FOREWORD

---

**D**EMAND for Shorthorns is strong and is getting stronger. Many breeders have sold all of their surplus and must wait for another crop before they can consign to sales. This is the smallest offering in numbers of head offered at an Omaha sale in many years. Fortunately, some of the best breeders who have been consigning to Omaha sales, held back some of their choicest cattle and thus this sale is made possible.

Intelligent breeders realize the advertising advantage of sales by auction and, in this sale, annually sell some cattle that are of high quality and good breeding and will reflect credit upon their herds. This year the consignments are of that class. Those who come to buy will be pleased with the cattle that are listed in this catalog and will profit from the purchases they will make.

The catalog will tell you of the good blood lines of the offering. The show at nine o'clock Thursday, April 1, 1937, will enable you to see that the cattle are of the right type and quality. The sale, commencing at one o'clock on the same day, will present the opportunity to secure these high class cattle. Come.

**TERMS**—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. **GUARANTEE**—All cattle are sold subject to a sixty day re-test, for tuberculosis and, when necessary, health certificates will be furnished to enable them to be shipped into any state or territory. A certificate of registry and a recorded transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

**BROWDALE MONARCH 1503276**—One of the few really great, living sons of the famous Browndale Count. His dam was sired by the International grand champion Maxwalton Monarch. Here is a combination of the blood of two famous bulls and it has resulted in this bull developing into one of America's best herd bulls. In this herd he follows a long line of prepotent sires bought because of their type and character and not because of price. He is the sire of Lots 15 and 16 in this catalog.
